

Your Knee Pain Relief is a Few Clicks Away.

Secure. Simple. Connected. GenVisc850 | TriVisc Rx-Direct

Securely connects your healthcare provider, the pharmacy, and treatment fulfillment in one streamlined experience.

You'll receive updates along the way so you always know what happens next.

Get started.

1

Your healthcare provider submits your HA prescription through a secure online portal

2

You receive a secure text and email from our exclusive pharmacy partner

3

Review and confirm your information and payment method by email or text

4

You will be notified when the HA is shipped to your healthcare provider's office

5

Your healthcare provider schedules appointments for your HA injections
